The Orphan Auto Show is open to all cars that are 20 years old. The show is in August and all are welcome. The admission is free – raffles are plentiful as that is how they pay their bills.

The first event of the year at Beef Villa had a good turn-out. We had 9 PTs and 1 LeBaron plus 1 visitor that showed up. The sun even came out on our show.

Vinyl Stickers are still available for all members that don't have the club advertised on their car. The advertising in the Daily Herald has been updated and tells about our meetings at Augustino's. September and November are still open for events.

Our Service Project will be a spring cleaning around John S's yard. He passed away 4/13 and we will live up to our promise to take care of the yard so Nancy can focus on taking care of their son.. We will spend a Saturday or Sunday when the weather breaks and Kevin will bring a few friends from church to assist.

**NEW BUSINESS:**

Even though Cindy and Gary are not presently members, Cindy has agreed to continue making the name badges for our members. If you need an updated one with your new car on it, or even a first time name tag, you need to supply a picture of you with your car.

Membership cards were distributed to all in attendance. Sue made the cards and Judy R laminated them.

Sue and Mike printed our new large business cards with club information on them. We can now hand them out to anyone with a PT that we find that is interested in joining or possibly joining the club.
