OR BRING TO THE MEETING AT PAL JOEY'S

Meet a Member . . .

Laura and Bob McAnnely joined the PT Cruiser Club last year at our show at Riverfront Chrysler in North Aurora. The PT is Laura's baby! She purchased her car from Riverfront this past summer. The PT is a 2006 silver convertible. Laura's PT has been kept stock and/or OEM parts only. The one small upgrade has been the air screen, which really cuts down on the wind noise and allows for a more comfortable ride. Laura and Bob have been enjoying motorcycling for the past 5 years, which lead to the open-air experience.

Laura is employed with the Aurora Housing Authority, where she uses her PT traveling to their many facilities inspecting the condition of the buildings. Bob, is employed by FCI and travels the US and Canada in high-rise concrete construction projects. They both put in long workdays and enjoy a top down ride at right and on the weekends. Laura has enjoyed her PT so much she decided it would be fun to join a club with a common interest – her love of her PT!

APPRECIATION DINNER FUN

Are you the proud owner of PT Cruiser model of your car???

Shine it up and bring it to the Member Appreciation Dinner on March 27th. We will be sponsoring a mini PT Cruiser Car show, and by mini we literally mean mini! Bring your models, no matter the size. Awards will be presented to best of show , best custom paint job and most detailed like a real PT.

Are you the proud owner of a remote control PT Cruiser model ???

Check your batteries and bring that model to the Member Appreciation Dinner on March 27th. We will be sponsoring a PT Cruiser Drag Race!
The fastest remote control car wins!

We will also be having our March meeting and discussing our upcoming cruise to Kenosha on April 19 as well as other upcoming events.

See you at Pal Joey's in West Chicago!

Cruisin' to Kenosha Saturday, April 19th

Pack your Cruiser because we are hitting the road and heading to Kenosha for a fun filled day of eating, education, and trolley rides!

April 19th is our first "official Club cruise". We will be heading north to Kenosha. We went back and forth on whether we should cruise up together or meet at a location in Kenosha Saturday morning. We decided it would be easiest for all to meet at 9:00 AM in Kenosha at the Woodmans Food Store parking lot. Woodmans is just off 94, Exit #344 (75th Street). We will enjoy a tailgate breakfast, compliments of Tom Koster, but if you want to bring something tasty to share, feel free!

Around 9:30 we will hit the road heading out to the History Center. The History Center has a presentation, Voices of World War II 1941 – 1945. Suggested donation is \$2 per person. Our next stop will be the Kenosha Public Museum to view the displays there and take a trolley ride! The trolley runs every 15 minutes.

Well now it will be time to eat again! So we are cruising over to the Boat House Pub for lunch. The Boat House Pub is a reasonably priced restaurant right on Lake Michigan.

After lunch we'll cruise over to the Jelly Belly Factory in Pleasant Prairie, WI. While there we will take their 30 minute tour of the factory and learn how Jelly Belly's are made. After the tour we will sample Jelly Belly's and maybe even take a bag or two home to munch on later.

The last stop on our cruise will be the Mars Cheese Castle in Kenosha.

Hope everyone can make it!

Last newsletter going out in the mail!!!

This will be the last newsletter being mailed to everyone in the club. Going forward check the website, www.chicagolandptcruiserclub.org for all the latest on club activities.

If you do not have access to a computer please call Cindy at 630-443-2894 and let her know you will need to have your newsletter mailed each month.

If you need to pay your dues still, fill out the attached Membership form and bring to the Appreciation Dinner or mail to Bob Repin!
